## Welcome to Healthy Smiles Dental

We would like to thank you for choosing our practice. We are looking forward to helping you improve your dental health.

At Healthy Smiles Dental, we are committed to providing advanced dental treatments as well as routine dental care.

We understand that the cost of dental care is a concern for many patients which is why we've introduced our membership plan.

This leaflet contains information on how the plan can help you maintain good oral health, and save you money at the same time.

## The Healthy Smiles Dental Plan

This scheme has been designed to help our patients spread the cost of important routine treatment.

We all know that prevention is better than a cure and by joining our membership plan our patients can ensure that all of the family can maintain the highest level of oral health and spread the cost with affordable monthly payments.

All patients who join the plan benefit from a Worldwide Accident & Emergency Insurance Policy and up to 25% discount on all practice treatment.

## Our plan

Our plan has been developed to provide you ongoing dental care while spreading the cost over 12 months and includes the following benefits:

- 2 examinations per annum with scale and polish included
- Up to 25% discount on all subsequent treatments, excluding any referral fees paid.
- 10% discount off tooth whitening
- Treatment following accidents and emergencies and for oral cancer
- £2,500 lump sum benefit
- **Costs just £11 per month**

To join, simply complete a registration form which can be found at reception.
